Caveats, printed on the page by design: measured tempo is 69.8 BPM (shown rounded to 70). Chord read: bars 15-16 are per-bar bench labels (A); bars 13-14 are UNCLEAR per bar in chords.csv and are shown as A on segment-level evidence only (hook unit, medium confidence). Melody: machine sketch notes (autocorrelation track, confidence >= 0.45) quantised editorially; the A-sharp/B cluster in bars 13-14 is flagged in FORM-MAP.md as probable harmony-partial tracking, NOT verified lead melody. 0 sketch notes below the confidence floor were omitted from this page and remain in melody-sketch.json.
